# COMPACT MOWER, BIG PERFORMANCE

Compact and lightweight, McConnell's productive Magnum series flail mowers have a low power requirement and are ideal for customers with compact tractors.

Created for the amenities and ground-care sectors, the Magnum series features a choice of 1.3m and 1.5m working widths and offers excellent manoeuvrability and value.

## KEY FEATURES

Capable of cutting material up to 30mm thick, the machines are armed with durable whale-tail flails and can tackle everything from grass and crop residues to thick vegetation.

- 1.3m and 1.5m working widths
- Three-point linkage (CAT I)
- 540rpm PTO speed
- 30mm cutting capacity
- 16-56mm cutting height
- Slip clutch protection
- 154mm manual offset
- Rear roller height adjustment
